Before you sign

1. Compare the VIN on the vehicle (dashboard plate and door-jamb label) with the VIN on the title and on this form.
2. Check each party's name and address against photo ID. The seller's printed name must match the title exactly; initials or a last name alone are not accepted.
3. Write the agreed sale price. Record the amount received so far and any balance separately; only say "paid in full" when it is.
4. Record the odometer reading and mark whether it is the actual mileage. The official disclosure is in the title's assignment section (model year 2011 and later vehicles).
5. Mark only the lien and condition statements that are true. If a lender still holds the title, get the lien release or payoff arrangement in writing.
6. The seller removes the plates and can report the sale through myDMV within 5 days. The buyer has 60 days to title and register at the county office. Keep a signed copy each.
7. The 36-hour driving exception (C.R.S. 42-3-115) applies only to a private purchase made on a Saturday, Sunday or legal holiday, or between 5 p.m. and 8 a.m. Within 36 hours of the purchase, drive only from the place where the seller kept the vehicle to the place where the buyer will keep it, carrying proof of insurance and a bill of sale signed by both parties that shows the date and time of sale (and the year, make and VIN).
