Before you sign

1. Compare the VIN or frame number stamped on the steering head or frame with the title and with this form.
2. Check each party's name and address against photo ID, and the seller's name against the title, if there is one.
3. Write the agreed sale price. Record the amount received so far and any balance separately; only say "paid in full" when it is.
4. Record the odometer reading and mark whether it is the actual mileage, or mark "no odometer" and give engine hours if the machine has none. Check whether your state requires an odometer disclosure for this motorcycle; this form does not replace one.
5. Mark only the lien and condition statements that are true. If a lender holds the title, get the lien release or payoff arrangement in writing.
6. Off-road bikes may be untitled or registered as off-highway vehicles. Check your state's rules for titling, registration, plates and insurance before riding.
7. Sign and date in each other's presence. A witness or notary is only needed when your state or the asset requires one. Keep a signed copy each.
