Before you sign

1. Compare the VIN on the vehicle (dashboard plate and door-jamb label) with the VIN on the title and on this form.
2. Check both parties' photo IDs and match the seller's name to the title. The buyer must have identification accepted by NCDMV to apply for title.
3. Write the agreed sale price. Record the amount received so far and any balance separately; only say "paid in full" when it is.
4. Record the mileage. Complete the required odometer and damage disclosures. Use MVR-180 for mileage and MVR-181 for damage when NCDMV requires them.
5. Mark only the lien and condition statements that are true. If a lender still holds the title, get the lien release or payoff arrangement in writing.
6. Remove the seller's plate. Transfer it if eligible or return it at once before canceling liability insurance. The buyer must apply for title within 28 days of transfer using a notarized MVR-1. Keep a signed copy each.
